

## Wednesday – Explore & Notice

### Today I'm learning to...

*notice Responsibility in myself and others.*

#### Activity:

Look around your home or classroom.

Find five examples of people being responsible.

They might be:

- Someone cleaning up
- Someone doing their job
- Someone caring for someone else
- A friend keeping a promise
- A person preparing for something ahead of time

Write or draw what you observed.

#### Drawing or Journal Space:

### Think About It:

- Which example of responsibility stood out to you?
- How did that responsible action help others?
